Ottawa, KS

Aaron Burton, Director
agbcamp@agbcamp.org

1. Please pray for our staff (there are about 35 of us total, including both operational and counselors), that the Lord will glorify Himself through us and that His strength will be perfected in our weakness. Please pray for spiritual wisdom and sensitivity. Pray that our motivations will be completely to glorify God and not seeking our own pleasure.
2. Please pray for our campers (we typically have between 40-80 each week), that the Lord will work in each heart and that their hearts will be tender to God's Word and that they will not just have a good time here at camp, but that they will grow to know and love Christ better. Please pray for spiritual and physical safety.

3. Pray that the Lord would prevent any injuries during this week and summer.
4. We have room for more campers for the following camps: Junior Camps, Teen Camps, and Wilderness Camp.
5. Pray that the Lord would strengthen our staff – some have had health problems.
6. Pray for our staff to be a spiritual strength through their testimonies to others.

NORTHLAND CAMP

Steve Pettit, Director

For our Speakers

- They prepare and preach the word, for clarity of speech and guidance of the Holy Spirit
- Also, our speakers obviously have many other duties, so special prayer for them as they prepare and juggle all those responsibilities is greatly appreciated. Also most of them travel in Evangelism, so carry that burden of preparation as well.

For our Staff

- Servant-mindedness
- Good Health and Rest (when possible)
- Wisdom and discernment in counseling campers

For the Campers

- Salvation Decisions
- Understanding the teaching of the passage, that in salvation, the old man has been put off and the new man has been put on. Understanding that now, they need to 'Renew the mind'.
- That God would work in the family campers in salvation as well as the restoration of family relationships.
- Encouragement in the Christian walk/ministry.

4. We are understaffed a little this summer. Pray that we will be effective and get needed rest on the weekends.

5. Pray for our evening services that begin each night at 8:30 (central).
6. Pray for godly, qualified staff for our future summers.

THE WILDS

Brevard, NC

Ken Collier, Director
info@wilds.org

1. CampsAbroad, the missions arm of THE WILDS, takes our camping philosophy to the foreign fields.
 - Ken Hay and Dan Brooks are finishing up a camp in India this week (6/21). The roads out of the camp have been shut down and there is a possibility that they will need to leave by helicopter. This is very expensive.
 - Matt Collier will be going to Uganda from June 30-July 7. He will spend the first week training the staff and the second week helping the missionary and nationals run camp.
2. We have over 1,000 campers and sponsors coming each week of this summer. Please pray for the summer staff to have opportunity to minister to them individually.
3. Pray for daily safety of our staff and campers.
4. Pray for hearts to be prepared to hear the various evangelists throughout the summer and that many will come to Christ or take the next spiritual step.
5. Pray for our one week of junior camp in New England in August. We are trying to establish a camp in New Hampshire and have had years of wading through permits, etc. We are presently renting a camp for one week in the summer.

Praying for Camps

“Ye also helping together by prayer for us, that for the gift bestowed upon us by the means of many persons thanks may be given by many on our behalf.”
